

A Brief History of the Grand Wine Cellars of Houmas

The Plantation was originally surrounded by five Moorish styled water cisterns beside and behind the mansion. In the 1940's Dr. Crozat demolished the five cisterns and replaced them with two matching Douglas Frerret designed high pitched terracotta tile roofed brick cisterns. Since then, we have converted these beautiful water cisterns into extraordinary wine cellars. With a collection of fine wines from the mountains of Washington to Coastlines of New Zealand our wine cellars truly have a worldwide selection to choose from. The large water tanks that originally were enclosed in the cisterns have been replaced with bottle holders that are attached to the masonry walls, cast iron balconies, and circular staircases. The white wine cellar is located on the upriver side of the mansion while the red wine cellar is located on the downriver side of the mansion.

The Wine Steward's Selection

- 10301 J Vineyards & Winery Brut Rosé** *Sonoma County, California NV* \$50
At J Vineyards, Head Winemaker Nicole Hitchcock integrates *Old World Philosophies* into her process of creating beautiful sparkling wines. Grapes are handpicked at night for ideal conditions then pressed using a *Coquard Press*, which are not commonly found in Californian wineries, to evenly apply pressure to the grapes making the tasting notes less bitter and having more refreshing mouthfeel.
- 10904 Orin Swift "Mannequin Chardonnay"** *Napa Valley, California 2021* \$50
Winemaker David Phinney started his own company, Orin Swift Cellars in 1998 and has been producing extraordinary wines ever since. Orin Swift Cellars is known around the world for not only the exceptional *Old World Styled* wines with *New World Eccentric* labels. Mannequin features Mannequin dolls wrapped almost around the entire bottle.
- 20305 Vineyard Nine Eight Five "Sauvignon Blanc"** *Napa Valley, California 2020* \$63
30602 Vineyard Nine Eight Five "Cabernet Sauvignon" *Napa Valley, California 2020* \$120
Vineyard Nine Eight Five was founded *Bruce and Jennifer Adams* from *Morgan City, La.*, and *Russ and Jennifer Settoon* from *Pierre Part, La.* They source their grapes from some of Napa's most prestigious wineries to create their wines with focuses on two varietals, *Sauvignon Blanc* and *Cabernet Sauvignon*.
- 20703 Krutz Family Cellars "Beckstoffer Melrose Vineyard"** *Napa Valley, California 2020* \$93
Wine Industry Legend, *Andy Beckstoffer* of *Beckstoffer Vineyards* has currently has over 3,600 acres across California's Northern Wine Region and is home to some of California's oldest vines. The *Melrose Vineyard* which was acquired in 1973 covers 113 acres with only 82 acres of that being plantable.
- 31110 Palazzo "Right Bank"** *Napa Valley, California 2011* \$128
Blend: 68% Merlot, 22% Cabernet Franc, and 10 % Cabernet Sauvignon
Inspired by smaller family-owned Chateaus along the 'Right Bank' countryside of Bordeaux, Scott Palazzo released his first vintage in 2005. Positioned in the Los Carneros Appellation of Napa Valley, Palazzo was saved from the damage that most wineries received during this vintage's harvest by its cooler climate thanks the proximity of the San Pablo Bay. Just as Scott envisioned years ago, this "Right Bank" proprietary blend is both 'power and elegance.'
- 11302 Prisoner "Chardonnay"** *Napa Valley, California 2019* \$56
31002 Prisoner "Cabernet Sauvignon" *Napa Valley, California 2021* \$94
First introduced to the wine world with their flagship blend, *The Prisoner*, *The Prisoner Wine Company* was grown to produce exceptional varietals. In 2000 *PWC* announced the addition of a Chardonnay and Cabernet Sauvignon to the flagship series. Sourced from the same vineyards that produce the grapes for their hallmark blend, these wines are deserving of having the iconic label.
- 40302 Illahe "Historical Wine Making Series: Project 1899 Pinot Noir"** *Willamette Valley, Oregon 2019* \$142
Illahe started their 1899 Project in 2011, this Series of wines are made with the same techniques as wine day back in the 19th century. The wine is produced without the means of electricity or modern conveniences. Handpicked grapes are carted by horse, destemmed by crank, pressed by hands in baskets, and even bottles by gravity. This is the ultimate equivalency to producing wine as were produce during historic times.
- 41205 Kivelstadt Cellars "Father's Watch"** *Sonoma Valley, California 2018* \$40
Blend: 32% Carignane, 27% Grenache, 22% Syrah and 19% Mourvèdre
After leaving his job in consulting, Jordan Kivelstadt entered the wine industry working across the world. In 2007 he produced his first vintage of Syrah in California with the idea to honor the Old-World experiences he had come to learn during his worldly travels. This family-owned estate produces roughly 6000 cases annually.
- 41105 Locations "Texas"** *Lubbock, Texas NV* \$45
Blend of Grenache, Mourvèdre, Syrah, Carignan, and assorted Bordeaux varietals
Dave Phinney launched his "Locations" label with the premise of taking the ideas of Champagne region of blending across appellations and bringing it around the world. The "Location" series sources grapes creating a blend from each different region across the world. "Texas Locations" sources grapes within the Texas High Plains AVA which has red clay and sandy soil which grow warm-climate varieties of French and Spanish grapes.
